good sort of man is this Darwin, and well meaning, but with very little intellect. Ab.

it's a sad and terrible thing to see nigh a whole generation of men and women proessing to be cultivated, looking around in purblind fashion, and finding no God in this universe. I suppose it is a reaction from the reign of cant and hollow pretense, professing from frog spawn; the gospel of dirt the order of the day. The Paris correspondent of the Philadel shia Telegraph relates the sad result of false in a French baroness and her two aughters, which led to their being arrested of Boston university. George Eliot was the deny their guilt, and were consequently first representative taken up.

ters were acquitted. These ladies belong t ie proudest aristocracy of France, the moth r being so lofty in her ideas that she refused ad lowered herself by espousing a person is trade. Being too poor to purchase such dresses for her daughters as would enable hem to make their appearance in society n accordance with their station, she unfortusately adopted this nefarious method of sup slying their wants. The whole affair has nded as tragically as possible. The mother died broker-hearted in prison a few week ago. One of the daughters was engaged to married, and her betrothed nobly lent her the gid of his presence and support all

WASHINGTON NOTES.

Washington, November 5.—Neither the to the New York State authorities immediately on his arrival, it is not probable that the official correspondence will be published before the meeting of congress. stated that when the Spanish government formed the United States of Tweed's arre and its readiness to surrender him in acco American legation was instructed to conduct the arrangements to that end. As the return of Tweed to this country on a Spanish vessel ment, the United States steamship Franklin

than on a Spanish vessel. A report was widely circulated here to-da Centennial exhibition had been robbed of diamonds valued at hundreds of thousands of of dollars, and caused general wonder and regret. It was stated that two men, who ned to be American hunters, had occ pied a small tenement on the grounds s the opening of the exhibition, and had to neled a way from their lodging from the treasure, which they reached by cutting through the bottom of the case. Few per sons questioned the truth of the story, which on inquiry, proved untrue. Prominent postoffice officials are of opinion that the postoffice commission ne
